

Dear Families and Friends,

I am reaching out to address inquiries regarding the upcoming Fall season of (AAU) Travel ball. Due to limited gym availability and my own work commitments, I am unable to manage multiple teams this fall. Therefore, tryouts for all age groups will not be conducted.

Instead, we will hold tryouts for ONE elite team comprising 8th - 9th graders this fall. The focus is on participating in more competitive tournaments, providing enhanced exposure for advanced players transitioning to high school and college basketball in the future. While spots are limited, everyone is encouraged to try out for the team.

While I won't be courtside this fall, fear not - I've got your back with training sessions until Thanksgiving to sharpen those skills. Join me for twice-weekly sessions on Tuesdays and Thursdays, perfect for those eyeing school team tryouts and looking to level up their game.

For those seeking 5 vs 5 team opportunities, I can recommend various local fall leagues in Worcester. As we gear up for the Spring/Summer season, regular programming with Teach Me Da Game Basketball will be back on track.

With Care,

Coach Brian Marvie
